Habitat for Humanity Lakeside believes in a world where everyone deserves a decent place to live. The organization helps individuals and families in Sheboygan County achieve strength, stability and self-reliance through the operation of a Home Buyer, Home Repair and Rock the Block Program. All programs focus on simple, decent and affordable housing solutions.

On Saturday, June 1, 2019, I will be joining Habitat for Humanity Lakeside at Fountain Park in a cardboard shanty sleep-out to bring awareness to the issues of poverty housing in the world and Sheboygan County. I am collecting pledges to help support housing solutions in our community. All proceeds raised will go to Habitat for Humanity Lakeside.
